+ About Birchwood Highland

Birchwood Highland is a progressive organisation that cares about its staff and its service users. We aim to support people through mental ill health towards mental wellbeing.

Operating from four locations, Birchwood Highland has led the way in setting up the Highland's first **Recovery Centre** at Muirfield Lane, Inverness. Our Housing Support teams, based in **Inverness, Easter Ross, Caithness** and **Lochaber**, help people in their own homes and provide personal care where necessary.

+ Relief Posts

We always welcome applications for relief positions, for example:

- **Relief Support Workers**, Inverness, Easter Ross, Caithness and Lochaber Support Services
- **Relief Support Workers**, Birchwood Highland Recovery Centre
- **Relief Staff Nurses**, Birchwood Highland Recovery Centre

+ Other Opportunities

We need to raise funds so that we can continually develop and enhance the services that we provide across the Highlands.

Can you lend a hand at fundraising events, or help with their planning?

If so, we'd be delighted to hear from you.

+ Volunteers Needed

We also need more **volunteers** to become involved in our work.

Volunteers can make a contribution in different ways – from serving on the **Board of Directors**, to **befriending** service users, or perhaps **running service users' activities**.
